

Want to boost your business? The Ord Area Chamber of Commerce strives to promote and meet local business needs.

More than 200 businesses and organizations have taken advantage of the benefits of Chamber membership. Those members include both the area's largest companies to individual members - and every level in between. No matter what your business is, or how long you've been in business, or what your business goals, the Ord Area Chamber of Commerce has something to offer you.

Your Business Connection

The Chamber receives hundreds of requests each year for recommendations on goods or services to be purchased in Ord and the surrounding area. We refer **ONLY** our Chamber members to these newcomers, visitors and residents.

You will reap valuable dividends from the relationships formed, the knowledge and insight gathered, and the time saved by consulting with fellow members. Your membership also can save you money by providing economical solutions to your everyday business needs.
