Article 1 – Dogs and Cats

§6-101 LICENSE.

(A) Any person who shall own, keep, or harbor a dog or cat within the City shall acquire a license for each such dog or cat as follows:

(1) Any dog or cat acquired after January 1 of any year, younger than four months by January 1 of any year, or brought into or harbored within the corporate limits subsequent to January 1 of any year shall be licensed within 30 days after said dog or cat being acquired, reaching the age of four months or brought into or harbored within the corporate limits.

(2) Any dog or cat required to be licensed under subsection (1) shall be required to be licensed each year thereafter by January 1. The license will be delinquent on January 31 each year.

(3) Any dog or cat not required to be licensed under subsection (1) shall be licensed each year by January 1. The license will be delinquent on January 31 each year.

(B) Licenses shall be issued by the City Clerk upon the payment of a license fee for each male dog or cat and spayed female dog or cat and a fee for each unspayed female dog or cat.

Such fees shall be set by the City Council and shall be on file in the office of the Clerk, available for public inspection during office hours. Said license shall not be transferrable to another owner, dog or cat and no refund will be allowed in case of death, sale, or other disposition of the license dog or cat. The owner shall state at the time the application is made and upon printed forms provide for such purpose his/her name and address and the name, breed, color, and sex of each dog or cat owned and kept by him/her. A certificate that the dog or cat has had a rabies shot, effective for the ensuing year of the license, shall be presented when the license is applied for and no license or tag shall be issued until the certificate is shown.

(C) Every dog guide for a blind or visually impaired person, hearing aid dog for a deaf or hearing-impaired person, and service dog for a physically limited person shall be licensed as required by the municipal code, but no license tax shall be charged upon a showing by the owner that the dog is a graduate of a recognized training school for dog guides, hearing aid dogs or service dogs. Upon the retirement or discontinuance of the dog as a dog guide, hearing aid dog or service dog, the owner of the dog shall be liable for the payment of the required license tax. (Am. by Ord. Nos. 582, 10/6/97; 827, 9/3/13)

§6-102 LICENSE TAGS.

Upon the payment of the license fee, the City Clerk shall issue to the owner of a dog or cat a license certificate and a metallic tag for each dog or cat so licensed. The metallic tag shall be properly attached to the collar or harness of every dog or cat so licensed and shall entitle the owner to keep or harbor the said dog or cat until December 31 following such licensing. In the event that a license tag is lost and upon satisfactory evidence that the original tag was issued in accordance with the provisions herein, the City Clerk shall issue a duplicate or new tag for the balance of the year for which the license tax has been paid and shall charge and collect a fee for each duplicate or new tag so issued. Such fee shall be set by the City Council and shall be on file in the office of the City Clerk, available for public inspection during office hours. All license fees and collections shall be immediately credited to the General Fund. It shall be the duty of the Clerk to issue tags of a suitable design that are different in appearance each year. (Neb. Rev. Stat. §17-526, 54-603) (Am. by Ord. No. 827, 9/3/13)

§6-103 WRONGFUL LICENSING.

It shall be unlawful for the owner, keeper, or harbinger of any dog or cat to permit or allow such dog or cat to wear any license or other identification issued by any municipality other than that issued by the City Clerk specifically for such dog or cat, nor shall the owner, keeper, or harbinger wrongfully and knowingly license an unspayed female dog or cat with a license prescribed for a male or spayed female dog or cat. (Neb. Rev. Stat. §17-526, 54-603) (Am. by Ord. No. 827, 9/3/13)

§6-104 OWNER DEFINED.

Any person, firm, corporation, organization, political subdivision or department possessing, harboring, keeping or having control or custody of any dog or cat to be present in or about his/her/its house, store, or enclosure or to remain to be fed for ten days or more in a 30-day period shall be deemed the owner and possessor of such dog or cat and shall be deemed to be liable for all penalties herein prescribed. "Owner" shall not apply to dogs or cats owned by other persons which are temporarily maintained on the premises of a veterinarian or kennel operator for a period of not more than 30 days. (Neb. Rev. Stat. §54-606, 71-4401) (Am. by Ord. No. 827, 9/3/13)

§6-105 PROCLAMATION.

It shall be the duty of the City Council, whenever in its opinion the danger to the public safety from rabid dogs or cats is great or imminent, to issue a proclamation ordering all persons owning, keeping, or harboring any dog or cat to muzzle the same or to confine it for a period of not less than 30 days or more than 90 days from the date of such proclamation or until such danger is past. The dogs or cats may be harbored by any good and sufficient means in a house, garage, or yard on the premises where the said owner may reside. Upon issuance of the proclamation it shall be the duty of all persons owning, keeping, or harboring any dog or cat to confine the same as herein provided. (Neb. Rev. Stat. §17-526) (Am. by Ord. No. 827, 9/3/13)

§6-106 UNCOLLARED; RUNNING AT LARGE.

(A) All dogs or cats found running at large and to go in or upon the private premises of others or upon the public grounds, streets or highways of the City are hereby declared a public nuisance. It shall be unlawful for any person or persons to have any dog or cat which is owned, kept, harbored, or allowed to be habitually in or upon the premises occupied by him/her/their or under his/her/their control, to be at large and to go in or upon the private premises of others or upon the public grounds, streets or highways of the Municipality; and it shall be unlawful for such person or persons to own, keep or harbor, or to have in or upon the premises occupied by him/her/their or under his/her/their control, any dog or cat, unless said dog or cat is securely fastened by a chain or other similar restraint or otherwise confined in or upon said premises in some enclosure. However, when a dog or cat is away from the occupied premises there is no violation of this section if the dog or cat is on a secure leash and under control of the owner or other person. Any dogs or cats found running at large shall be killed or impounded in the municipal dog and cat shelter by the City Police Department or a city worker appointed by the City Council.

(B) It shall be unlawful for any person to feed any dog or cat on public property or private property not owned, rented, or leased by such person without permission of the owner of such dog or cat. Any person feeding any dog or cat on public or private property not owned, rented or leased by such person without permission of the owner of such dog or cat shall be cited for littering.

(Am. by Ord. Nos. 381, 5/14/84; 382, 6/5/84; 582, 10/6/97; 610, 9/8/98; 827, 9/3/13)

§6-107 DANGEROUS OR POTENTIALLY DANGEROUS ANIMAL.

(A) It shall be unlawful for any person to own, keep, or harbor any dangerous or potentially dangerous animal within the City without first having complied with the following provisions:

(1) The owner of any *dangerous* animal shall register such animal with the City and upon registration shall provide (a) the name, address and telephone number of the owner, (b) a written description and representation indicating the owner has and will continue to comply with the confinement provisions of this chapter, (c) written evidence from a licensed veterinarian that the animal is currently neutered or spayed and micro-chipped, (d) a written acknowledgment that the owner shall notify the City immediately if said animal is known by the owner to be running at large, unconfined, or when the owner has any knowledge or belief that the animal has bitten or is alleged to have bitten a human being or another animal, (e) a written acknowledgement that the owner of said animal shall notify the City of any changes in the material recorded as part of the registration (animal has been sold, given away or transferred to another person) within twenty-four (24) hours of said change. Upon satisfactory completion of all the requirements, the City shall issue a registration certificate which shall be used to assign the animal a number.

(2) The owner of any *potentially dangerous* animal shall register such animal with the City and upon registration shall provide (a) the name, address and telephone number of the owner, (b) a written acknowledgment that the owner shall notify the City immediately or when the owner has any knowledge or belief that the animal has bitten or is alleged to have bitten a human being or another animal, (c) a written acknowledgement that the owner of said animal shall notify the City of any changes in the material recorded as part of the registration (animal has been sold, given away or transferred to another person) within twenty-four (24) hours of said change. Upon satisfactory completion of all the requirements, the City shall issue a registration certificate which shall be used to assign the animal a number.

(3) The registration requirements, including the notification requirements, shall be construed as affirmative duties upon the owner, failure of which shall constitute a violation of this section. Any new owner of an animal registered as a dangerous or potentially dangerous animal shall be required to follow all registration requirements. It shall be unlawful for any person registering an animal to falsify or misrepresent material recorded as part of the registration.

(4) Any animal determined to be *dangerous* shall be spayed or neutered and implanted with microchip identification by a licensed veterinarian at the owner's expense no more than thirty (30) days after such determination is entered with written proof of spaying or neutering and the microchip identification number being provided to the City within seventy-two (72) hours of the procedure being completed.

(5) While unattended on the owner's property, a *dangerous* animal shall be securely confined in a humane manner indoors or in a securely enclosed and locked pen or structure suitably designed to prevent the entry of young children and to prevent the dog from escaping. The pen or structure shall have secure sides and a secure top. If the pen or structure has no bottom secured to the sides, the sides shall be embedded into the ground at a depth of at least one foot. The pen or structure shall also protect the dog from the elements. The pen or structure shall be at least ten feet from any property line of the owner. The owner of a dangerous dog shall post warning signs on the property where the dog is kept that are clearly visible from all areas of public access and that inform persons that a dangerous dog is on the property. Each warning sign shall be no less than 10 inches by 12 inches and shall contain the words "WARNING" and "DANGEROUS ANIMAL" in high-contrast lettering at least three inches high on a black background. (Neb. Rev. Stat. §54-619)

(6) No person owning, harboring, or having the care of a *dangerous* animal or a *potentially dangerous* animal shall permit such animal to be outdoors unless confined as required herein or unless such animal is securely leashed with a leash of a fixed length no longer than four (4) feet, under the control of a person eighteen (18) years of age or older, and muzzled. "Muzzled" for the purposes of this section shall mean that the jaws of the animal are confined by a device that prevents it from biting.

(7) Any person owning or harboring an animal within the City that has been determined to be a *dangerous* animal or a *potentially dangerous* animal must, within thirty (30) days of said determination, present written proof of public liability insurance, covering any damage or injury that may be caused by said animal, of not less than one hundred thousand dollars (\$100,000.00), to the city clerk. The policy shall contain a provision requiring the insurance company to provide written notice to the City not less than fifteen (15) days prior to any cancellation, termination or expiration of said policy.

(B)(1) A law enforcement officer or animal control officer shall initiate administrative

proceedings to determine an animal to be a potentially dangerous animal or a dangerous animal if it meets the definition of potentially dangerous animal or a dangerous animal by service of a notice, in writing, upon such animal's owner either by certified and regular mail to the owner's last known address or by personal service. The notice shall contain (a) the name and address of the owner whose animal is subject to such determination; (b) the name, description and license number of the animal who is subject to such determination; (c) a description of the facts which form the basis of such determination; (d) a summary of the effects of such determination, including the requirements of this article; (e) the date of proposed entry of the determination which shall be not less than ten (10) days after the date of mailing or personal service of the notice; and (f) notification of the availability of an appeal if the owner objects to such determination, within ten (10) days of the date of mailing or personal service of notice.

(2) An owner whose animal is determined to be a potentially dangerous animal or a dangerous animal shall be required to comply with the requirements of this article, unless a notice of appeal of the order is filed with the city clerk, provided, non-compliance with any portion of the above paragraph shall result in the owner being declared a reckless owner. An appeal of such determination order shall be heard by the chief of police and mayor within twenty (20) days of the date of the filing of the notice of appeal, and shall provide an opportunity for the owner to appear and offer evidence to dispute the determination order. A decision to affirm or reverse such order shall be entered within ten (10) days of the date of hearing.

(3) An owner may request termination of the determination order if there are no incidents of the type specified in the definition of potentially dangerous animal or dangerous animal for at least two (2) years following the date of the determination order. Such request for termination shall be heard, by the chief of police and mayor within ten (10) days of the date of the filing of the request for termination, and shall provide an opportunity for the owner to appear and offer evidence to support termination of the determination environment, health, age, training, neutering or other relevant factor. A decision to continue or terminate such determination order shall be entered within twenty (20) days of the date of this hearing.

(C) Any dangerous animal may be immediately confiscated by the chief of police, the animal control officer or their designee if in violation of this section. The owner shall be responsible for the reasonable costs incurred for the care of a dangerous animal confiscated or for the destruction of any dangerous animal as authorized herein. In addition to any other penalty, a court may order the chief of police, the animal control officer or their designee to dispose of a dangerous animal in an expeditious and human manner.

(D) It shall be unlawful for the owner of any *dangerous* animal, required to be registered under this chapter to permit or allow such animal to kill, bite, chase, attack, injure, wound, or endanger in such a way that the animal may be considered either a dangerous animal or a potentially dangerous animal as defined in this chapter. In addition, any such *dangerous* animal required to be registered under this section shall be immediately confiscated by the chief of police, the animal control officer or their designee, placed in quarantine for the proper length of time, and thereafter destroyed in an expeditious and humane manner.

(E) A law enforcement officer or animal control officer shall initiate administrative proceedings to declare an owner, who has been determined to have violated or convicted of one or more violations of this Article on three separate occasions in a 12-month period, or whose animal has been determined to be a *dangerous* animal or a *potentially dangerous* animal, who has not complied with the requirements of this section, and to revoke all animal licenses issued to such person. Such proceedings shall be instituted by service of a notice, in writing, upon such owner either by certified and regular mail to the owner's last known address or personally. The notice

shall contain (1) the name and address of the owner who is subject to such declaration and revocation, (2) the names, descriptions and license numbers of any animals licensed to the owner, (3) a description of the violations or requirements which form the basis of such declaration and revocation, including any case numbers, if any, (4) a summary of the effects of such declaration, including revocation of all pet licenses and surrender of all animals, (5) the date of proposed entry of the declaration and revocation order which shall be not less than ten (10) days after the date of mailing or personal service of the notice, and (6) notification and the availability of the appeal, if the owner objects to such declaration and revocation, within ten (10) days of the date of mailing or personal service of the notice. Upon entry of such declaration and revocation order, unless an appeal of such order is filed with the City in accordance with this section, such reckless owner shall be required to surrender all animals to the City within twenty-four (24) hours. Failure to surrender such animals shall result in immediate impoundment by the City. Such surrender or impounded animal shall immediately become the property of the City and may be disposed of by the City as the City deems appropriate. An owner who is declared a reckless owner shall be prohibited from licensing, residing with, or owning any animal in the City for a period of two (2) years from the date of entry of the declaration and revocation order. An appeal of such declaration and revocation order shall be heard by the chief of police and the mayor and shall provide an opportunity for the owner to appear and offer evidence to dispute the declaration and revocation order within twenty (20) business days. A determination to affirm or reverse such order shall be entered within ten (10) days of the date of the hearing.

(F) It shall be unlawful for any person to bring any animal into the City which has, in another jurisdiction, been administratively determined by another municipality or judicially determined to be a dangerous, potentially dangerous, vicious, a nuisance, or a threat to the health or safety of human beings.

Upon the written complaint of any affected person, filed within any 30-day period with the City Clerk, that any dog owned by the person named in the complaint is an annoyance or disturbance or otherwise violates the provisions of

(1) The animal is suspected of having rabies, regardless of the species and whether or not the animal has been vaccinated;

(2) The animal is not vaccinated and is a dog, cat, or another animal of a species determined by the Department of Health and Human Services (HHS) to be a rabid species; or

(3) The animal is of a species which has been determined by HHS to be a rabid species not amenable to rabies protection by immunization, whether or not the animal has been vaccinated.

(B) If, after observation and examination by a veterinarian, at the end of the ten-day period, the animal shows no clinical signs of rabies, the animal may be released to its owner.
